Memorandum

DATE: 11-02-07

TO: DOUG HARVEY/COLUMBIA SECURITY

FROM: LONGVIEW POLICE GRAVEYARD SHIFT

SUBJECT: BURGLARY TO CASCADE MIDDLE SCHOOL

CC: Capt. Duscha

Mr. Harvey,

On behalf of the Longview Police Department, I would like to commend your officers for their timely and professional response to a burglary alarm located at Cascade Middle School during the early morning hours of November 2, 2007.

Your officers, Douglas Mclean, Jason Rapp and Kyle Roush responded to the location and observed forced entry to the building. They entered and located two suspects. Your officers took the suspects into custody without further incident.

The suspects were in the process of stealing digital projectors valued at approximately \$3000 dollars each, after damaging several building doors. Your officer's meritorious service is appreciated by the Longview Police Department. Without your officers assistance the suspects may have escaped and this crime would have taken substantial time and police resources to solve.

Sincerely,

LPD Graveyard Patrol
